C006e - VINCI Energies Finland - Terms of use

## Terms of use

### VINCI Energies Finland - Terms of use

#### 1 Purpose of the Website

VINCI Energies Finland website provides up-to-date information for anyone interested in the operations of VINCI Energies Finland Oy and its subsidiaries Infratek Finland Oy, TLT-Connection Oy and TLT-Building Oy (hereinafter "VINCI Energies Finland"). VINCI Energies Finland operates in Finland under the Omexom and Axians brands.

The website presents VINCI Energies Finland's business areas and activities. It is intended for all external stakeholders as well as employees of VINCI Energies Finland. The website serves, for example, job seekers, investors, media representatives and those interested in sustainability matters. The website also provides a way to contact VINCI Energies Finland.

#### 2 Käyttöehdot

The use of VINCI Energies Finland's website or any other website maintained by VINCI Energies Finland (hereinafter "VINCI Energies Finland Website") is permitted only in accordance with these Terms of Use. By using the VINCI Energies Finland Website, you agree to comply with the terms in force at any given time.

VINCI Energies Finland may modify the Terms of Use whenever necessary, and we recommend reviewing them regularly. If you do not accept the Terms of Use, please refrain from using the VINCI Energies Finland Website.

#### 3 Copyright

The content of the VINCI Energies Finland Website is protected by copyright law. VINCI Energies Finland reserves all rights to the website and its contents unless otherwise stated. Copying, distributing or storing the content without prior written permission from VINCI Energies Finland is prohibited, unless explicitly allowed on the website.

Company news releases, press releases and print-ready logos may be used for journalistic purposes, provided that the source is appropriately acknowledged.

The text and images on the website may not be used for commercial purposes or in ways that violate good practice. Browsing the website and printing its content is permitted only for

personal use. Distribution of the content, even partially, requires separate written permission from VINCI Energies Finland. Certain individual documents on the website may be subject to their own specific terms of use, which are indicated alongside the respective document.

“VINCI Energies”, the VINCI Energies logo and all VINCI Energies brand names and trademarks are protected trademarks of VINCI Energies.

## **4 Disclaimer**

The VINCI Energies Finland Website is provided “as is” without any warranties. VINCI Energies Finland does not guarantee the accuracy or reliability of the information presented on the website, nor does it guarantee uninterrupted or error-free availability of the service. VINCI Energies Finland reserves the right to modify the website’s content at any time without prior notice.

The website may contain links to third-party websites that are owned or operated by external parties. The use of those websites is subject to the respective sites’ own terms of use. VINCI Energies Finland has no influence over the content of linked sites and is not responsible for their accuracy or functionality.

VINCI Energies Finland is not liable for any direct or indirect damages caused by the use of the website or the information provided on it, including delays, loss of data or revenue, reduction of goodwill or other financial losses. The liability of VINCI Energies Finland is always limited to the maximum extent permitted by mandatory Finnish law.

## **5 Submitting Material to VINCI Energies Finland**

By submitting material to VINCI Energies Finland’s servers—such as by email or through the website—the user confirms that they have the right to submit such material for free use by VINCI Energies Finland without separate compensation. The user also confirms that the material does not contain illegal or inappropriate content, and that it has been checked for malware prior to submission.

VINCI Energies Finland is not responsible for material submitted by users and may remove such material at its discretion.

## **6 Privacy Protection**

VINCI Energies Finland processes personal data in accordance with applicable data protection legislation. Further information regarding the processing of personal data is available in the VINCI Energies Finland Privacy Policy.
